# **Bull Sale**

# Welcome

Welcome from all of us in the Dakota Power group. We are truly grateful for your interest in our programs and the opportunity to present to you an exciting set of Simmental genetics.

You may have noticed some changes in this year's sale with Mac Pherson stepping away from the sale and the addition of M&J Ranch. We would like to thank Mac for the dedication and time that he spent on making this sale a success year after year. We would like to welcome Mike to our group and feel that his program compliments what we are trying to do in the seed stock industry.

As a group we work together to offer you a set of bulls that are functional. It is a pleasure to work together as a group and bring you a set of cattle that are similar in type and kind, as our philosophies in raising cattle are on the same track. We aim to please, our goal is to offer you the best set of cattle, numbers and genetics available at one place at one time.

This is the most powerful set of bulls we have ever offered. As a group, each and every year we expect to offer you a set bulls superior to those before.

This set of bulls will have what you are looking for. If your need is a heifer bull, growth bull, carcass bull, or just a good one, you will find it here. Look through the offering, find what you like and give any of us a call to discuss your needs. We are always happy to lend a hand in finding the right bull and genetics to fit your operation.

We are very excited about this 2014 offering. On February 10th, we will bring 3 great groups of bulls to offer you a superior set of genetics.
